We met with SB City staff today, extremely successful...except for your issue and mine. We were only able to get each softened. Mine is enough to for us to remain confident. I don't know enough about yours to say it is enough also.

This industry makes some people strange bedfellows, which is why I want you to know directly from me. Scott Beard was the person who facilitated this meeting. But it was Andrea Miller who requested me.

Thank you for all you have done for us in SB.

Thank you. We had meetings today too. The city likely won't put their initiative on the ballot,
